Dear Event Organizer:

RE: Special Event Organizer Application Form and Food Safety Information Package 2020

Hamilton Public Health Services helps event organizers ensure safe food handling at Special Events in the City of Hamilton to reduce the risk of foodborne illness.

Event Organizer responsibilities:

1. Complete the **Special Event Organizer Application Form** (below).
2. Provide each food vendor with a copy of the **Special Event Food Vendor Application Form** and **Requirements for Food Vendors at Special Events** document.
3. Food vendors (including food trucks) are required to submit a copy of the kitchen's most recent public health inspection report. If the kitchen space is rented to prepare food, food vendors must provide a letter from the owner of the kitchen space confirming that your food is prepared at that location. A copy of the kitchen's most recent public health inspection report shall be included.
4. Collect all completed vendor applications and forward to Hamilton Public Health at least **14 days** before the event.
5. Notify Hamilton Public Health of any significant changes to the original application.

The Special Event Organizer will be invoiced after the event for inspection services rendered.

Refreshment Vehicles fully licensed by the City of Hamilton are not required to pay this fee.

However, food trucks must be listed on the list of **Special Event Food Vendor Application**, including City of Hamilton Plate Number.

Note: An administration fee of \$41.80 (includes HST) is charged per vendor unit for Special Events and festivals to cover the costs incurred for inspection services. An additional fee of \$31.60 (includes HST) per vendor applies if the application is not received at least 14 days ahead of the event. Please do not submit payment before your event. You will be invoiced after the event if Inspections were required.
