 - Connecting individuals and families with community counselling programs.

EMERGING NEEDS PROGRAMS

Objective

- To foster community programs that identify new emerging community needs, underserved target groups, areas, or service delivery innovation.
- Due to the dynamic nature of funds in the emerging needs category, funding will be allocated based on scores in each granting year. Applicants approved for funding under emerging needs in a previous year may apply to emerging needs the following year, but the application will not be prioritized over other applications.

Description

- Provides program funding for programs operating year round

Identified Funding Priorities

Programs requesting funding from the emerging needs stream must be **aligned** with streams described under Established programs.. **Requests not aligned with these priorities will be deemed ineligible.**

APPLICATION QUESTIONS – ALL STREAMS

General Information Form:

Complete all questions in this section.

Organization Information Form:

Complete all questions in this section.

- Brief history of the organization.** *Please also indicate how the long the program for which you are applying to CEF for has ben operational in years.*

Program Information Form:

Complete all questions in this section.

- Program description in 60 words.** The information provided in this box will be public. Please write this section as if the reader is not familiar with your program at all.
- Detailed Program description in approximately 1,000 words.**
Please ensure you include the following information in your response:
 1. Length of time in years the program has been operational.
 2. Include specific information on target group, program location and hours of availability.
 3. Program Statistics – if your program directly serves people, please provide the total number of clients you have served until September 30th of the current year AND a projection as to how many clients you anticipate serving the following year. If your

program is an indirect service, you must still provide program statistics so adjudicators can adequately assess your program.

How will City Enrichment Funding be used? 500 words

Ensure you indicate exactly how funds will be used. For example, will the funds be used for staffing (indicate % of full time equivalent and position), program supplies or subsidized costs? Be sure to specify on what areas funding will be spent and the proportion of the program budget CEF funding will cover for each item. For example .5 staff person..... 10% of program supplies, etc.

Increasing Community Participation in 500 words.

Answer the question as it relates specifically to the program for which you are applying. To be consistent and facilitate evaluation, we are looking for alignment with the following equity seeking groups: In preparing your detailed response, please consider and describe policies, training, program delivery, physical space, location, and referral processes etc.

- Indigenous communities
- Persons with disabilities
- Francophones
- Newcomers and immigrants
- Refugees
- Ethno-racial communities
- LGBTQ community
- Geographically underserved areas
- Low income individuals/families
- Women

Outcomes

Applicants to the Community Services stream must provide three specific outcomes **that relate only to the program you are seeking funding** for, **do not** include organizational outcomes. Make sure the item is clear, relates to your program and is measurable. Provide a list of **how** the outcome will be measured. Although not indicated on the question, please include any data results. Fuller reports could be submitted as an additional uploaded attachment.

Partnerships/Collaborations – 300 words

Although the question specifies that informal partnerships can be included, please **do not** include these in your responses to the Community Services stream. We will be looking more for formalized (with a MOU) types of partnerships/collaborations. We also would like to know which specific networks, planning tables, working groups etc. you are involved in that enhance your ability to deliver **this** program. A chart or bulleted list can be included in your response.

- Team Members and Program Implementation in approximately 300 words.**
Provide a bulleted list describing **who** from the organization or community will actually be implementing the program (staff, volunteer, peer, seconded staff or volunteer) **and why** the organization chose to implement the program in this way. Please be sure to indicate **how** the individuals implementing will contribute to the success of the program.
- How does this program enrich the city? Approximately 300 words.**
Your response should include all three of the following:
 - Description of the local community need
 - Evidence to support the need – include any specific local, provincial, national statistics, best practice evidence, or program evaluations
 - Description as to how the program delivery method is best suited to deliver this program.

Community Vision

- Identify the City priority that best fits the program. Select more than one if applicable.
- Describe “how” the program fits that priority including making reference to specific actions etc.
- Describe if the program is also aligned with any specific City of Hamilton master plans, action plans or strategies
- Examples of other relevant plans for Community Services includes:
 - [Housing Homeless Action Plan](#)
 - [Hamilton's Plan for an Age Friendly Community](#)
 - [Hamilton Children's Charter](#)
 - [Hamilton's Community Safety and Well-Being Plan](#)
