

NOTICE OF COMMUNITY OPEN HOUSE

Revising the Discovery Centre

The City is conducting an Opportunity Study to revision the future use of the Discovery Centre (former Canadian Marine Discovery Centre) located on Pier 8, in Hamilton's West Harbour.

Join us at a Community Open House to learn about an option that includes a multi-use space including a library, Indigenous community gathering area, exhibits and gallery space, café, and other visitor amenities, and to provide your feedback about the future of the building.

You are also invited to provide feedback through the City's Engage Hamilton website for this project:
